# ORDER RUBBER STAMPS DIRECTLY FROM THE FACTORY

Dear Teacher

We are in the educational rubber stamp business for more than 13 years and we do postal deliveries countrywide. References of regular clients are available. Private teacher orders are welcome.

An exclusive permanent rubber stamp range, specifically for South African Teachers Grade R - 12, is manufactured on wooden blocks. In the long run our rubber stamps are the cheapest option for CAPS assessment 1 - 7, teacher rewards and motivational or remedial remarks. Our designs are exclusive and are not available from any other manufacturers, shops, agents, etc.

Please contact us with ALL your personal, as well as school's details to receive a brochure or a quotation.

Cut your marking time in half ...  
**START STAMPING !!!**

Kind regards

*Alta Scholtz*
