Whoo!
“Whatever you do, do the best that you can”

The first little pig built his house with straw.

The second little pig built his house out of sticks.

The third little pig built his house out of bricks. It was hard work and took a long time, but he...
The wolf then came to the third little pig’s house of bricks. He said, “Little pig, little pig, let me in, let me in.” “Not by the hair on my chinny chin chin,” said the little pig.

The wolf found the chimney, and he crawled into it. He slid down the chimney and landed in the boiling pot of water with a loud splash. And that was the end of the big bad wolf. Luckily, the third little pig had listened to his mother, and had done the best he could when he built his house. And so the little pig lived happily ever after.
