

Riglyne:

1. Die woordelyste is doelbewus nie alfabeties rangskik nie. Uit prof. Gerhard van Huyssteen se navorsing het dit geblyk dat dit beter vir kognitiewe ontwikkeling (en spelvermoë) is as die deelnemer nie alfabetiese of tematiese lyste kry nie, aangesien die deelnemer dan moet begin leer om eie assosiasies en reëls toe te pas.
2. Daar mag homofone in die woordelyste wees. Die deelnemer moet self weet watter woorde homofone mag hê en die deelnemer moet daarom die verskillende betekenisse ken. Dit is sy/haar eie verantwoordelikheid om vir 'n voorbeeldsin te vra.
3. Wisselvorme: ons is bewus van verskeie wisselvorme, maar hou by die wisselvorme wat in hierdie lys opgeneem is. As die woord nie in die lys is nie, word dit vir die doel van hierdie kompetisie gedurende die gesiene rondes as verkeerd beskou.
4. Indien die deelnemer onseker is oor die woord se betekenis, mag hy/sy vra dat dit in sinsverband gebruik word.
5. Die Engelse vertalings is daar om die leerproses te ondersteun, maar dit sal nie tydens die kompetisie gevra word of as antwoord aanvaar word nie. Dit bly dus 'n Afrikaanse spelkompetisie.
6. Die deelnemer mag tydens die kompetisie vir die Engelse vertaling van die woord vra.
7. Indien 'n woord met 'n hoofletter begin, moet dit deur die deelnemer aangedui word. Byvoorbeeld: Afrikaans → 'hoofletter A – F – R – I – K – A – A – N – S'
8. Slegs Afrikaanse spelwyses word aanvaar en die beoordelaarspaneel se beslissing is finaal. Let ook op die korrekte gebruik van terme soos *spasie*, *koppelteken*, *akuut*, *gravis*, *deelteken*, *kappie* en *afkappingsteken*. (Kyk na die tabelle vir letters en skryftekens.)
9. Woorde mag nie voor dit gespel word of enige manier fisies geskryf word bv. in die lug of op die hand nie.
10. Die deelnemer moet die woorde SPEL en NIE klank NIE. As die deelnemer gevra word om 'leerder' te spel, moet die deelnemer soos volg antwoord: 'leerder', 'L - E - E - R - D - E - R', 'leerder'.
11. Wanneer die deelnemer die laaste 'leerder' sê, kan ons dan seker wees dat die deelnemer klaar gespel het en nie wil teruggaan om dalk die laaste letter te verander nie.
12. Deelnemers kan hulle antwoord korrigeer tot 'n maksimum van twee keer.
13. Wanneer 'n deelnemer sy/haar antwoord wil korrigeer, moet dit duidelik aangedui word deur die woorde STOP of HERSPEL te gebruik voordat die deelnemer oor begin spel.
14. Die eerste ronde is 'n oefenronde en niemand val dan uit nie. Indien 'n deelnemer na die oefenronde die woord wat gevra word, verkeerd spel, val hy/sy dadelik uit en verlaat die verhoog.
15. Na 'n bepaalde aantal rondes, sal ons vir die deelnemers uit 'n vooropgestelde onvoorsiene lys woorde vra.
16. Gedurende die nasionale finaal sal daar drie vlakke van vrae wees, naamlik:
 - Gesiene woorde
 - Ongesiene woorde
 - Vrae gebaseer op Pharos se *Afrikaansgids*, *naslaanlyste en taalreëls* deur Nicol Faasen.
