

“Twosday” Dag van die Tweë

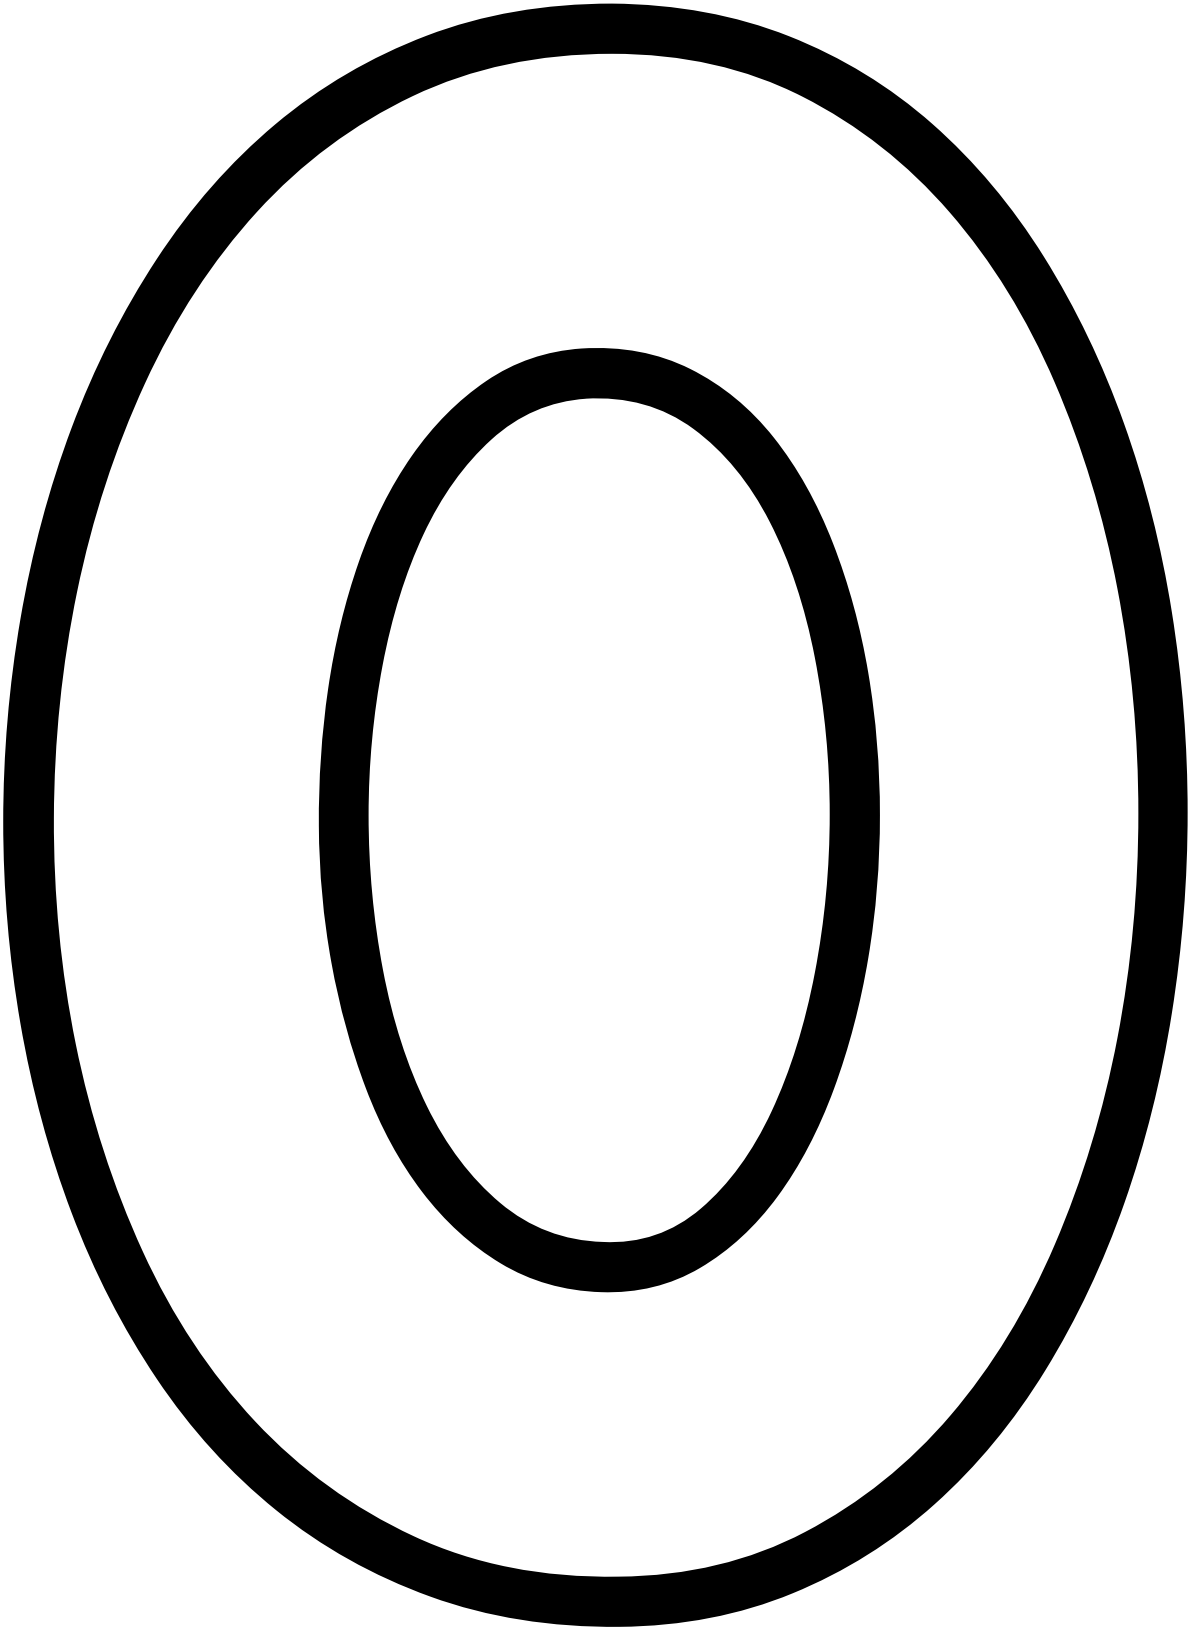

Bou hierdie datum met die groot los syfers wat volg. Versier die getalle met skeur-en-plakwerk, confetti, verf of inkleurwerk. As jy vet- of uitdraaikryte gebruik, kan jy 'n lagie verdunde voedselkleursel bo-oor verf. Skryf of teken items of voorwerpe wat in twee voorkom om die 2 op elke bladsy neer, bv. sokkies of skoene.

Build this date with the loose numbers on the next few pages. Decorate the numbers with confetti, paint it or tear and glue paper on it. If you colour the numbers in, paint diluted food colouring over it to enhance the colours. Draw or write items around the numbers which you would find in pairs, e.g. shoes and socks.

Roll a die. Draw 2 dots in a block if you land on a 2. Who will fill all their blocks if you and a friend took turns?
